Ingersoll Rand®

Drive Xchange System™

## What is it?

The DXS® Drive Xchange System™ is a patented system of impact wrenches and **interchangeable drive accessories** that let you perform multiple jobs with one tool.

## How does it work?

DXS® uses a proprietary spline-type interface that fits tighter and has more load bearing surface than a traditional square drive. 10 different interchangeable drives swap out quickly, so you save time and stay in service. Simply switch out anvils and sockets to the needed drive size and length – no adapters necessary!

## Interchangeable Game-Changer

DXS® Drive Xchange System™ provides increased productivity, extended tool life, and multi-job functionality without clunky adapters that drain your tool's power.

## Never Lose Power

The DXS® system features torque that works smarter, not harder. Tight-fitting DXS® attachments deliver up to 15% more motor torque to fasteners<sup>1</sup>, making the tools more effective – so you never lose power.

<sup>1</sup>Compared to traditional square drive sockets

## Frustration-Free Productivity

Save space in your toolkit with the right tool for every time and place. Fast-swapping DXS® accessories let you configure the tool for the job at hand.

## Get The Most Out Of Your Investment

Increase your time in service and save replacement costs by simply switching out worn or broken drives to get the tool working like new.

## Patented Technology

Our spline drive design eliminates the frustration of power loss from worn-out sockets and square drive anvils by delivering up to 20% longer wear.

Versatility  
Interchangeable drives.

Performance  
Never lose power.

Value  
Eliminate expensive downtime.

### Available Configurations

\*includes anvil shown

Standard Friction Ring Anvil  
2236QTIMAX

Standard Pin Anvil  
2236QPTIMAX

2" Extended Friction Ring Anvil  
2236QTIMAX-2

Available in Three High-Visibilty Colors

# One Tool. Endless Productivity.

Meet the industry's most compact high torque impact wrench: **2236 MAX Series** featuring 1,500 ft-lbs of breakaway torque and trade-tested durability to withstand the rigors of the job site.

- Longer Life**  
Reliability from a patented direct greasing design
- Titanium Hammer Case**  
Lightweight with unyielding durability
- 200 ft-lbs More Powerful**  
1,500 Ft-lbs of Nut busting Torque from a patented motor design\*\*
- Quieter**  
4 decibels quieter for a more user-friendly environment\*\*\*
- More Compact**  
1/4" shorter length from a patented motor
- Better Health and Ergonomics**  
Reduced fatigue from lower weight, better balance
- More Versatility**  
Patented DXS Drive Xchange System™

## Coming Soon!

### W7153 DXS® Cordless Impact Wrench

The **New W7153 DXS® Cordless Impact Wrench** delivers the power of pneumatic in a cordless design for best-in-class torque. Backed by a **NEW 5-year Limited Warranty** that stands behind our legendary quality.

# Did you know?

Tool adapters can cause up to 30% torque loss. DXS® attachments are tight-fitting and deliver more motor torque to fasteners, so you get the full 1,500 ft-lbs of torque regardless of which anvil or socket you're using.

## DXS® DRIVE XCHANGE SYSTEM™ ANVILS

### Anvil Sets (Individual anvils available.)

**AK32H**  
2 pc set: 3/8", 1/2"

**AK62H**  
2 pc set: 1/2", 3/4"

**AK42H**  
2 pc set: 1/2" x 2"

**AK33H**  
3 pc set: 3/8", 1/2", 3/4"

**AK43H**  
3 pc set: 3/4", 1/2" x 2", 1/2" x 4"

**EAK62H**  
2 pc set: 3/4", 3/4" x 6"

**EAK44H**  
4 pc set: 1/2" x 4", 1/2 x 6", 1/2 x 8", 1/2 x 10"

# Did you know?

DXS® Impact Sockets are made from chrome molybdenum (CR-MO) alloy steel for exceptional strength and durability – and provide easier access to tight spaces with up to 3/4" shorter tool length<sup>2</sup>.

<sup>2</sup>When used with Ingersoll Rand® DXS® impact wrenches

## DXS® DRIVE XCHANGE SYSTEM™ IMPACT SOCKETS

### Socket Sets (Individual sockets available.)

**DXSK2M15L** - DXS2™ Drive Deep Metric Impact Socket Set, 15-Piece

**DXSK2M15** - DXS2™ Drive Standard Metric Impact Socket Set, 15-Piece

**DXSK2H14L** - DXS2™ Drive Hex Deep SAE (Imperial) Impact Socket Set, 14-Piece

**DXSK2H14** - DXS2™ Drive Standard SAE (Imperial) Impact Socket Set, 14-Piece
